

GENERAL INSTRUCTIONS FOR ALL TAKS PACKET

GENERAL INSTRUCTIONS:

- You must show all work
- You must answer all of the questions associated with the TAKS problems.
- All instructions are to be followed
- All packets are to be done in pencil
- Circling only the multiple choice answer is **one point**, the rest of the points for the problem are for questions associated with the TAKS problem
- For any problem with **no** associated questions, you must explain why your answer choice is correct.
- Full credit is only possible if the correct answer is selected and all associated questions are correctly answered.

WHO IS ELIGIBLE TO DO TAKS PACKET CORRECTIONS AND WHAT NEEDS TO BE DONE???

- Corrections are allowed only on TAKS Packets that are turned in **on time**.
- TAKS Packets turned in “on time,” but are blank or incomplete will receive a maximum grade of 40%.
- The maximum amount of points a student may receive for corrections is one half of the missed points.
- Corrections must be turned into the instructor within 5 school days after the packet grade has been posted on HAC.

WHAT DO YOU NEED TO DO TO GET HALF OF THE POINTS BACK??

- The corrected problems need to be listed on the front page of the packet. Only the problems listed on the front will be eligible for re-grading.
- Corrections must be done on the TAKS packet in a different color pencil, or in ink.
- If there is inadequate room to work the corrections, a small piece of paper may be taped on to the page and used for the corrections.
- If all you need to do is change the multiple choice answer, you must explain why the answer selected is the correct choice.
