Click Register

Welcome

Welcome to the registration and Sign In page for resources powered by Pearson's new eText technology. This dynamic technology creates a powerful and personal online learning experience.

If you have not yet registered to access to your eText, click "Register" below. After completing just a few steps, you'll have access to the latest tools in online educational technology (remember to write down your username and password). If you have already registered then simply enter your credentials and click the "Sign In" button.

See Teacher for Student Access Code:

Student Registration for Math XL® for School

Step 1:

Go to
www.mathxlforschool.com

You will need an **access code** and **Course ID** provided by your teacher.

Step 2:

Under **Register** click **Student**.

The screenshot shows the MathXL for School website. At the top, there is a navigation bar with links for Learn About, Training, Results, News, Community, Support, Contact Us, and Students. The main content area features a large banner for GRADES 6-12 with the text: "A powerful online homework, assessment, & tutorial program". Below this, there are three bullet points: "Automatically-graded assignments", "Personalized homework and study plans", and "Immediate feedback for students". There are three buttons: TOUR, DEMO, and FREE TRIAL. To the right of the banner is a "Sign In" section with a "SIGN IN" button and a link for "Forgot username or password?". Below that is a "Register" section with the text "Need an account? Start here." and two buttons: STUDENT and EDUCATOR. A red arrow points from the "STUDENT" button in the Register section to the "STUDENT" button in the Register section. Below the banner, there are two sections: "STUDENTS" and "EDUCATORS", each with a "Quick Links" section and a list of links. The "STUDENTS" section includes links for "Getting Started", "Browser Check", "FAQs", and "24/7 Student Support". The "EDUCATORS" section includes links for "Buy Now", "Getting Started", "Videos", and "24/7 Teacher Support". To the right of these sections is a "Testimonials" section with a quote from Jonathan Decker, Math Teacher, Warren East High School, Kentucky, and a link for "MORE TESTIMONIALS >". At the bottom, there is a blue footer with the Pearson logo and the tagline "ALWAYS LEARNING". The footer also contains copyright information and links for Pearson School, Pearson Higher Education, Legal Notice, and Privacy Policy.

[Help ?](#)

By registering to use a Pearson Education online learning system, I certify that I have read and agree to the **Pearson License Agreement** and the **Pearson Privacy Policy**.

I understand that my personal information may be stored in and/or accessed from jurisdictions outside of my resident country. I consent to this storage and/or access.

The personal information that I use with a Pearson Education online learning system can include my name and contact information, my answers to questions that are part of the course, my marks on tests or other course requirements, and any comments about me made by my instructor.

Privacy Policy ?

Pearson Education Privacy Statement

Pearson Education ("Pearson") recognizes the importance of protecting the privacy of Personally Identifiable Information about you as a user of our online learning applications, websites and educational evaluation tools ("applications"). Follows is an overview of Pearson's Privacy Policy which is wholly contained within the [Pearson End-User License and Privacy Agreement](#) to which end users consent when registering for a Pearson application.

Information considered by Pearson to be Personally Identifiable Information ("PII") is: your full name, address,

License Agreement ?

Pearson Education End User License Agreement and Privacy Policy

These terms constitute an agreement between You and Pearson Education, Inc. and its direct and indirect affiliates ("Pearson"). Access or use of the website and/or service for which You seek registration constitutes acceptance of this Agreement. If You do not agree to abide by the terms and conditions of this Agreement, please do not register for or otherwise access or use this Website.

Pearson may change any of the terms in this Agreement at any time. Changes will become effective upon posting.

Step 3:

Read and accept
Pearson's License Agreement
and Privacy Policy.

Step 4:

Do you have a Pearson Education Account?

Select **"Yes"** and use your Username and Password you created for your Pearson eText.

Note: Select **"No"** if you have a Pearson Account for one of these products: Dash, Mobile eText for School, Pearson Realize, Pearson SuccessNet, or SuccessNet Plus.

Step 8:

After logging in, click **Enter MathXL for School**.

MathXL® for School

[Back to MathXL for School Log In](#)

Welcome to MathXL for School!

MathXL for School is an online homework, tutorial, and assessment system that accompanies your Pearson Education textbook. Click "Enter MathXL for School" to continue.

[Enter MathXL for School](#)

Enroll in Your Teacher's Course

You will need a course ID provided by your teacher to complete this step.
A course ID is a four-part code. Example: XL00-90GT-700Y-9R03.

Step 1:

Select the first option to enroll in your teacher's course.

Step 2:

Enter your course ID.
Confirm course information is correct and click **Enroll**.

Step 3:

You will see a confirmation of your course enrollment.

You can enroll in only one course or self-study program at a time using your current login information. Follow these steps:

First choose how you will work in MathXL for School:

- I am taking a course that is using MathXL for School, and need to enroll in my instructor's course.
- I am studying on my own, and need to choose a textbook.

Enter your Course ID provided by your instructor:

 - - -

[Switch to single box for pasting your Course ID](#)

Sample Course ID: XLAB-C1JK-2MNO-0YZ3
If you do not have a Course ID, contact your instructor.

Enrollment Confirmation

[Legend](#)  

You are now enrolled in:

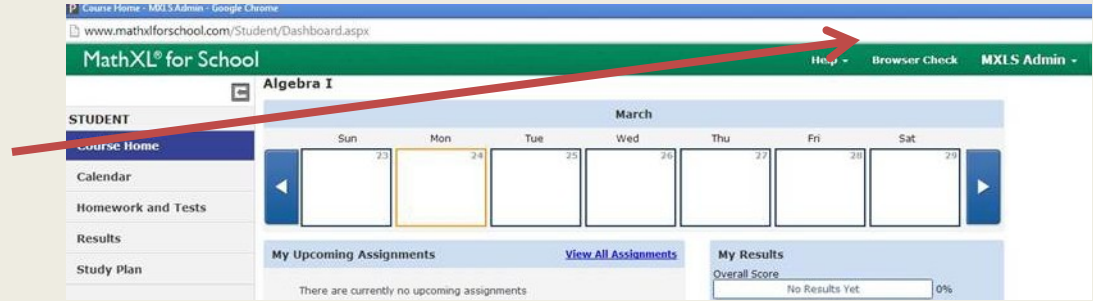

Calculus

OK

Step 4:

Run the **Browser Check** by clicking on the link in the top navigation bar.

Note: If you are using a school computer, this step was probably taken care of by your school.

The Browser Check will help you install any software your computer might need to run MathXL for School.

After installing software, close and re-open your browser. Your setup for MathXL for School is now complete!
