

# MHS Re-teach/Redo Guidelines

---

## *Requirements*

In order to re-test a student must complete one or more of the following:

- Complete the review
- Tutorial sessions
- Complete homework in order to obtain a homework grade no greater than 70

## *Timelines*

Retest must be completed no later than 1 week after the assignment was returned, or before the date of the summative assessment, for a grade no greater than a 70. (Multiple tutorial opportunities should be available before due date.)

## **Grade Categories (Departments- please modify categories as necessary)**

Daily/Minor Grades/Quizzes 40% %

Tests/Projects 60% % (2 test days scheduled per 6- wk period with multiple part tests)

Each category will contain an adequate number of grades to represent the student's mastery of the course objectives.

## **Course Retest Policy**

What is a student required to do in order to be able to retest?

- Review must be turned in before exam
- Tutoring sessions required (may be used for daily assignment completion)
- Complete homework assignments: all chapter assignments are due by test day. After test no late work accepted.

What is the timeline for a redo of a test?

- No later than 1 week following the return of the test/before the summative assessment

What is the timeline for redo of a daily assignment?

- No later than 1 week following the return of the assignment
- Must be done under the supervision of a math teacher for credit
