prob.#	Write the problem	
	Show all necessary steps WORK DOWN THE PAGE ↓	
	Circle the Answer	
	Show all your steps, by writing all necessary steps needed to get to the solution, you will better understand the problem solving process.	
	It is important to be neat and clear in your work. When you review for a test you want to be able to understand what you did several weeks ago! ALSO!! For partial credit, the teacher needs to understand what you did –both on the homework and tests!!!!
